It is submitted that the foregoing amendments are such as to comply with the formal matters raised in the Official Action and this application is in a condition for allowance. The Examiner is respectfully advised that this deficiency now remedies the incorrect drawings submitted with the response to the Office Action mailed January 14, 2008 and submitted to the U.S. Patent Office with our amendment dated June 16, 2008.

If for any reason the Examiner is of the view that this application is not in a condition for allowance, the Examiner is requested to telephone the undersigned at (416) 961-5000 so that an interview or telephone conference may be arranged to expedite allowance of this case.

It is hereby petitioned under 37 CFR 1-1336 that the response term of this application be extended, if necessary, to a date which would include the filing date of the present amendment and the Commissioner is hereby authorized to charge any necessary extension fee to deposit account no. 18-1350, under an order number corresponding to attorney docket number P24304.
